

Candidate Profile:

At mustard&linen We are looking for a creative, innovative interior **Lead Designer** to join our team. The responsibilities will include interpreting client briefs and turning them into creative solutions, delivering high-quality products, overseeing design teams, and troubleshooting design problems.

To be a successful lead designer, you should be able to adhere to tight deadlines and manage budget constraints to deliver a great product and experience. Ultimately, a top-notch lead designer should have strong communication, leadership, and analytical skills.

Required Skills:

- A bachelor's or associate degree in interior design, interior architecture, or a related field.
- Minimum of 15 years of experience in the industry
- A minimum of 5 years of managerial experience within the field.
- Strong creativity skills and the vision to turn briefs into creative projects.
- experience in meeting and liaising with external lead design consultants and coordinating with all other disciplines.
- Excellent leadership, organization, and analytical skills.
- Good collaboration and communication skills, strong personality and able to create powerful storytelling.
- Great time management and multi-tasking skills.
- Ability to resolve complex design and communication issues.
- Ability to present to client with confidence.

Duties and Responsibilities:

- Lead our internal design team and external consultants to complete projects with success.
- Meeting with clients to discuss their needs and requirements.
- Train the interior design team to be in the right mindset, be on top of trends, and develop a strong sense of design.
- Developing strategic design plans with projected timelines and budgets.
- Creating storyboards and mockups for clients and the design team to visualize the completed project.
- Pitching ideas confidently and presenting the creative vision to the client and communicating the project outline to the design team.
- Work closely with client's marketing, sales, and development team.
- Overseeing and managing the multiple design projects, from start to finish, and monitoring the staff members to ensure they adhere to the budget and timeline constraints.
- Ensure that all the organization's or client's creative output/visuals are consistent with the overall brand.
- Take responsibility for the creative vision and the standard of output across team members who work under them.
- Reviewing feedback from clients and making alterations according to the clients' comments & needs.
- Analyzing market research to create more effective designs.
- Client facing and monitoring the quality of projects throughout mustard&linen's portfolio.
